

G&F FINANCIAL GROUP FOUNDATION NOW ACCEPTING APPLICATIONS

Funds now available for charities and non-profits

Burnaby, BC– G&F Financial Group, one of the ten largest credit unions in BC, is now accepting applications for funding through the G&F Financial Group Foundation (the Foundation). The Foundation provides financial assistance to local charities and non-profit agencies that build on the values of G&F Financial Group to make a positive and lasting impact in their communities.

Charities and non-profits can apply online at <http://go.chimp.net/gffg/> through the credit union’s partnership with Chimp – an online charitable marketplace connecting causes and people. At the core of Chimp, is the “Chimp Account” which enables anyone to give and raise money for any Canadian charity, when and how they want, all in one place. By working with Chimp in this first-of-its-kind arrangement, G&F Financial Group can help create greater exposure to charitable groups to help fuel additional funding.

“We’re proud to continue our support of local charities, non-profit groups and organizations who need funding support within our communities”, say Bill Kiss and Jeff Shewfelt, Co-CEOs, G&F Financial Group. “By partnering with Chimp, these same deserving groups can gain further exposure from other members of the community who also want to give.”

Applications for funding through the G&F Financial Group Foundation are being accepted now until May 31, 2016 for their spring application period. Interested groups can visit <http://go.chimp.net/gffg/> to apply for funding.
